

## **Electrical Installation Seminar – Demand and Supply**

*Thursday 3 April 2024*

### **12.00 Registration and lunch**

### **13.00 Welcome and introductions**

*Martyn Allen, Technical Director/ Luke Osborne DTD, Electrical Safety First  
Lesley Rudd, Chief Executive, Electrical Safety First*

### **13.15 Opening keynote**

### **13.30 Energy Transition**

We will explore the required changes in infrastructure and their timescales along with how infrastructure modernisation and the increasing demands of our building stock will marry up, whilst ensuring that safety is not compromised.

### **14.15 Break**

### **14.45 Energy as a Service (EaaS) - Saviour or Threat?**

A two-part fireside chat exploring how energy provisions and services are changing. Whilst an 'energy wrapper' may be appealing for the consumer, will EaaS prove to be the industry's 'disruptor'? and how will this impact safety, quality, and competency requirements of the workforce?

### **15.45 Energy transition- thoughts and learnings to date**

Quickfire presentations highlighting thoughts and learnings from our energy transition to date and the considerations we must make going forward to ensure a safe transition.

### **16.25 Closing remarks**

### **16.30 Close**
